### **Do you fit with the above 2 positions? Would you like to?**

- Assist customers and help them make good choices for their special orders and for other plant purchases throughout the season.
- Learn how to do a task and be able to teach it to others.
- Learn our cash register check-out system. Gold stars for money handling experience.
- Learn how different plants grow, how they grow together, what likes sun, shade etc. How to water. Basically, as much plant knowledge as you can absorb!
- Problem solving production methods, and other minor situations that we encounter.
- Offer excellent customer service with a sunshiny disposition.
- Finish tasks and be able to multitask while working in a retail store environment.
- Weekend work is a must.
- Dependability is second only to customer service skills.
- The majority of work requires standing, bending, lifting etc. in a hot, dirty, humid environment.

### These positions are NOT for:

- Someone looking for a relaxing experience (although some moments may be like that).
- Someone who would rather work alone. (Watering positions are more independent)
- Someone with social anxiety- this is a VERY busy store.
- Someone who cannot commit to the whole season.
- Someone who may not be able to meet the physical requirements of the job.

### These positions ARE for:

- Someone who excels in and has experience in customer service.
- Someone who can work as a team and knows how to communicate with a variety of people.
- Someone who is excited to learn about plants and how a greenhouse retail store operates.
- Someone who wants to get a great tan and loves exercise!

## OTHER POSITIONS AVAILABLE

**Store Waterer THIS POSITION REQUIRES COMMITMENT: SOME days are Full-time; SOME days are Part-time.**

Great for the early risers and the self-starters! This schedule depends on what is needed that day. Duties will include but are not limited to the complete watering of selected back greenhouses, and our store prior to it opening for the day. This position would consist of watering, tending to and possibly planting, by yourself, or with others with instruction. Experience is more than welcome, but on-the-job training is provided. They must be able to pay attention to detail, accept constructive criticism (watering a greenhouse is hard to learn) and be self-motivated. Most of this position requires you to work alone.

**Weekend work is a must. Most likely 6 days a week. Estimated time frame for job is April 15th – Mid June.**

**Back of House Laborer – A physically demanding position.** This position has a great variety of duties, however it concentrates mostly on loading and unloading trucks, fulfilling wholesale orders, and delivery to our retail store and other stores throughout the state. In addition, this labor crew works on a transplant line to plant and distribute our plants throughout our greenhouses. Must be able to follow instruction and be able to work with a team or alone. Heavy lifting is required, as well as most hours spent standing or walking.

**Weekend work is a must. Estimated time frame for job is mid-March through July with opportunity to work later into the fall and during our holiday season.**

Starting pay for above positions: \$16-18 DOE with room to grow. No experience necessary but welcomed.

Please email or bring in a printed resume to our store prior to March 15<sup>th</sup> – Interviews to follow

\*\*\*Make sure to include which positions you are interested in, and what your availability is.
